INFECTIOUS DISEASE

ISOLATION PROCEDURE

Student showing symptoms of fever, cough, fatigue.

**STEP 1**
Student calls Ashe COVID Hotline (310) 206-6217.

**STEP 2**
Ashe Center determine by phone if the student needs an in-person visit.

**STEP 3**
Ashe Center assess students’ condition.

**STEP 4**
Post assessment,

- **STEP 4a:** If isolation is NOT needed, Ashe Center will provide student with medical advice and next steps. From here, skip to **STEP 6**.

- **STEP 4b:** If isolation IS needed, Ashe Center calls Residential Life for isolation coordination. Contact tracing will be done by Ashe Center. From here proceed to **STEP 5**.

**STEP 5**
Instructions will be provided to student about isolation protocol. Student departs from Ashe Center to meet with Residential Life staff at determined isolation location.

Self-isolation period is determined by multiple factors including symptom onset date and COVID test result. Please be prepared to self-isolate for 10 days.

**STEP 6**
Once released by Ashe Center, student returns to place of residence and resumes regular activities.

**DEFINITIONS**

**ISOLATION** separates sick people with a contagious disease from people who are not sick.

**QUARANTINE** separates and restricts the movement of people who were exposed to a contagious disease to see if they become sick. – CDC 2020

**IMPORTANT NUMBERS**

Ashe COVID Hotline (310) 206-6217

Housing Dispatch (310) 206-9633

**FRONT DESKS**

De Neve Plaza (310) 825-5451

Sproul Hall (310) 825-2075

Hedrick Hall (310) 825-2965
